- ### Coming Events January 2025
- Happy New Year!
 - **NEW MEETING LOCATION!! FIRST TEAM REAL ESTATE OFFICE**
 - Fairview Park flying days will be Jan 4 & 18
 - Club Meeting Jan 14
 - 2024 Flying Permits valid for Jan 25 also!
 - CM City Council meeting Jan 28 to determine what happens at Fairview Park. It is important to have as many supporters as possible show up!

Meeting Location

We are holding our meetings at First Team Real Estate, 10072 Adams (at Brookhurst), Huntington Beach, in the Stater Bros shopping center. I will arrive with Costco pizzas & Coors Light; I ask for \$5 for pizza and \$5 for beer. There's lots of room, so c'mon down!

Christmas Party

The 2024 party was held Dec 12 at Pasta Connection. It was a fine dinner, the 2025 officers "moved in," and Certificates of Appreciation were presented to the outgoing officers.

December Flying Days

We flew two Saturdays, Dec 7 & 21. Lots of students getting their flights in! All photos by John Rittenhouse (thanks!)

Navigators at OCMA

Many thanks to Henry Smith & Joni Whitsitt for laying the groundwork for yesterday's event! OCMA, with help from Harbor Soaring Society, OCRCC & Scale Squadron members hosted R/C flight introduction and flight training for 20+ Navigators and their parents.

There were many flight demonstrations as our group organized everything from EDFs in formation, big gassers to high speed EDFs giving a good representation of activities at the field.

Dave Kadonoff gave R/C flight introduction and basic flight instruction to the group. HSS set up a flight simulator under the canopies' easily powered with our Solar Generator so the youngsters could get a basic feel for R/C flying and the fun commenced.

Thanks to many members there was no shortage of buddy box trainers and instructors. With as many as six trainers in the air. everyone got as much time of the sticks as they wanted.

We finished off with BBQ Hamburgers and Hot Dogs for everyone.

It was a wonderful day thanks to the help of OCMA members from just about all the member clubs. Too many to name them all as I am certain I would leave someone out.

The Navigators were excited, well behaved and a pleasure to mentor on this scale. I am certain that a number of them, parents included have been bitten by the R/C bug. Good exposure is what our hobby needs and received this day.

Thank you everyone for your help and support, we presented a great hobby in a friendly and helpful environment at a beautiful air field. We look forward to another training session.

OCMA BoD

The kids as well as the adults have a good time. I was surprised how many OCMA members volunteered to bring their own buddy boxes and take the time to work with the kids. It was a good time for all who attended. Mat was kind enough to bring the TV monitor and a real flight program. OCMA put up the tents and provided food. The Navigators met Henry at 2024 Imaginology. Mat has the list of parents and their emails who attended.

On another note: OCMA has raised their yearly dues to \$160.00 a year. The cost of trash and sanitation porta-potties went up. OCMA is required to use whatever contract OC Parks has with vendors. The yearly safety meetings are Saturday, January 11th and Sunday, January 12th, 9:00 am sharp. Those two days are when you get your safety sticker and new key to the entry gate, and receive your new 2025 badge from Greg Stone.

Just some extra stuff if you want to print it. You can also go to the OCMA website anytime. It's: flyocma.org
Joni

City Council Meeting

The CM City Council has been working on revising the Fairview Park Master Plan. Our leaders and various members have attended quite a few meetings over the past year or so to give our input. On Jan 28, the council will hold a study session to go over the revisions.

It is very important that as many supporters as possible attend this meeting. Please go and give your club the support we need so as not to get written out of the master plan!

2025 Membership

Along with Happy New Year comes renewal time for 2025. We have received not very many so far, so please, today, send in your renewal.

We will be allowed to fly during January using our 2024 CM city permits, but as soon as you receive your new club membership card, please go to the city and renew the permit.

The TRUST Test and FAA Registration

TRUST is The Recreational UAS Safety Test. It provides education and testing for recreational flyers on important safety and regulatory information. If you fly your drone recreationally under the [Exception for Recreational Flyers](#) you must pass the test before you fly. To take the test, go to <http://trust.modelaircraft.org>. This is the AMA Site. Take the test (Don't worry, it is fail proof) then obtain your "Completion Certificate."

All recreational flyers must pass this aeronautical knowledge and safety test and provide proof of test passage (the TRUST completion certificate) to the FAA or law enforcement upon request.

Go to <http://faadronezone.faa.gov> and create an account for your FAA Registration. Apply for "I fly under The Exception For Recreational Flyers". They will issue you an FAA registration number that must be affixed to the outside of all of your radio control model aircraft. The charge is \$3 for three years, for all of your R/C aircraft.

All recreational flyers must pass this aeronautical knowledge and safety test and provide proof of test passage (the TRUST completion certificate) to the FAA or law enforcement upon request.

Go to <http://faadronezone.faa.gov> and create an account for your FAA Registration. Apply for "I fly under The Exception For Recreational Flyers". They will issue you an FAA registration number that must be affixed to the outside of all of your radio control model aircraft. The charge is \$3 for three years, for all of your R/C aircraft.

HSS Membership

Our 2025 HSS membership enrollment season is running full speed. Note that annual membership dues is now reduced to \$15. The latest membership application is included in the last pages of this newsletter. This can be mailed to our post office box shown on the last page, or given to a club officer. Alternately, HSS and AMA membership applications can be obtained from any club officer, or available on our club web site at www.harborsoaringsociety.org. Applicants must be members of the AMA prior to joining HSS. AMA Membership applications can also be obtained at the AMA web site www.modelaircraft.org, download document No. 902 from the publications page. Or you can apply on line. If you renew your AMA membership online, be sure to print the receipt that they provide as proof that you joined. And, don't forget your City of Costa Mesa Flying Permit.

HSS Club Decals

We now have decals / vinyl stickers with the HSS logo available. There are 3" diameter and would look great on your planes or in the back window of your car. Come to the meeting to get one or several. These cost the club \$1.20 each, so please donate to the treasury if you want more than one.

Social Media Links

Here's how to find HSS on various social media. Check them out!

HSS FaceBook: <https://www.facebook.com/harborsoaringsociety>

HSS Website: <https://www.harborsoaringsociety.org/> (New Vendor Page)

HSS YouTube: <https://www.youtube.com/@HSS-RC-Glider-Club>

Thanks to Kevin Koch, we now have these planes available for sale:

E-Flite Piper J-3 Cub

E-Flite Stearman – appears new!

E-Flite Twin Otter w/spare fuselage

HobbyKing RadJet pusher prop

HSS Planned Activities and Events

Thanks to John Rittenhouse for the preparation of the following Calendar of Events.

Some of the activities have not been cancelled yet, but are subject to cancellation at a moment's notice.

Repeating activities include:

- Monthly General Meetings - 7 to 9 PM on the second Tuesday of each month. These are now in person.
- Monthly Steering Committee Meetings - 6 to 7 PM on the second Tuesday of each month. These are now in person. Additional meetings to be planned as required.
- Flying field maintenance on an as-needed basis.
- Quarterly meetings with the Orange County Parks Department. .

Annual Events:

- 2.10.2023 Wix, website management payment due.
- 3.23.2024 Wix, harborsoaringsociety.org domain name re-registration payment due.
- 7.2023 Network Solutions, website domain name re-registration payment due.
- March AMA charter and "Gold Leader Club" renewal.
- March Club must purchase "Certificate of Liability Insurance" from AMA.
- April Imaginology - This is a public service event held at the Orange County Fairgrounds. HSS provides booths containing static displays of model aircraft, build and fly paper gliders, and model flight simulators.
- June Southern California Soaring Clubs (SC-2) glider competition. HSS hosts local glider clubs, for one of the monthly events held throughout Southern California.*
- July Concerts at the Park - Three evenings on Tuesday nights in July at Fairview Park. Music is sponsored by the City of Costa Mesa. HSS supports this public service event with a pop-up sunshade, and static display of model aircraft.
- July Bent Wing Glider Competition. This event is open to all club members and guests.*
- August National Model Aviation Day. Open house, demonstrations, free flying lessons, and acquiring donations for charity.*
- August Dollar Foam Design/Build/Fly competition. Tentative schedule. Aircraft are original designs, electric powered RC models made from a single sheet of paper backed 1/4" foam. Performance criteria to be determined.
- September Electric Fun Fly Competition. Tentative schedule. Multiple events are planned for club members and guests.
- September Club Secretary shall submit annual 501(c)(3) report to IRS (include \$25 payment).
- October Pumpkin Festival/Scarecrow Competition. This is a public service activity for HSS. It is planned by the city, to be held at the Lions Park
- October Nominations made for new club officers.
- November New club officer election. General Meeting.
- December Christmas party and new club officer installation. Location to be determined.
- TBD Letter of Agreement with John Wayne control tower. Renew every two years.

Next Meeting

Our normal schedule is to meet on the second Tuesday of each month from 7 to 9 PM at the First Team Real Estate office located at 10072 Adams Ave (at Brookhurst), Huntington Beach, in the Stater Bros shopping center. Phone is 714-875-7994. Bring your favorite plane for show-and-tell. Bring your wife, family, and friends. There may be a raffle. The new location map is shown at right. The monthly HSS Steering Committee meeting is held from 6 to 7 PM just prior to the General Meeting.

Free Plane Rap Copies

Rob Askegaard has free near new color copies of HSS Plane Rap newsletters from 2005 through 2017 that he would like to give away. Contact Rob at the monthly meetings or 714-873-7710. rmaskgrd@gmail.com.

Invitation To Members For Contributions To The Plane Rap Newsletter

Your editor would love to hear from club members. If there is anything you would like to share with the rest of us, I would like you to send it to me. I will add it to the next newsletter. My favorite things to publish are items sent in by members!! These can be anything like reviews of your plane or equipment, links to good videos, links to articles, and things you have built or created. Bad spelling and/or grammar gladly accepted. Anything from a picture with a caption to a full blown build/review article is good. Letters-to-the-Editor are always welcome as well. Tell us what you think. Please help make the newsletter and website more interesting with your submissions. Embarrassing pictures/videos are the best. I look forward to hearing from you.

Mike Costello - Plane Rap Editor - mikeftre@gmail.com.

Photos of Your Planes

John Rittenhouse has become the club photographer, with Mike Costello as a backup. This is your newsletter, so if you want to see your models featured, or photos of something that interests you, please send to the newsletter editor.

MEMBERSHIP APPLICATION 2025

Harbor Soaring Society
 AMA Chartered Club #128 - AMA's Oldest Chartered Soaring Club
 P.O. Box 1673 Costa Mesa, CA 92628
 Revised October 3, 2022

I understand that by applying for membership in the Harbor Soaring Society I must be a current member of the AMA (Proof of status required, may be photocopy of membership card or AMA receipt of fees paid). In addition, I will take the AMA TRUST test and show my Completion Certificate. When I acquire or already have acquired any Unmanned Radio-Controlled Aircraft, I will apply for an FAA Registration Number and affix that number to all my aircraft.

In accordance with the Federal Equal Opportunity Act, this organization prohibits discrimination against anyone based on race, color, religion, national origin, sex, marital status, age, individuals with disabilities or veterans. New applicants making application between November 1st and December 31st will pay the annual rate indicated above and such dues will make the new member paid in full for the following year. Applications for adult members submitted between July 1st and October 31st will pay a reduced rate of \$15.00 (name tags extra). A signature is required from all Harbor Soaring Society members, agreeing to comply with the current AMA Safety Code, the current HSS and Costa Mesa City General Field Rules, and FAA rules and regulations applicable to the flying of RC model Aircraft.

The undersigned attests that: I will operate my model using only radio frequencies for the control of fixed wing or multi-rotor aircraft, and/or data transmission, on equipment certified and approved for such use by the AMA, FAA or FCC as applicable. I understand that my failure to comply with the above restrictions will result in nullification of liability coverage for damages caused or claimed.
